Thank you very much for working with an A&D student. Internships, and other forms of experiential learning, are crucial to the career development of students and we greatly appreciate your contribution to the development of one of our students. Please include the following information in your evaluation:

1. Kinds of projects assigned to the student in regard to educational goals (add more as necessary)
   a.  
   b.  
   c.  

2. Comments on work habits (on time, able to complete tasks, etc.)

3. Comments on quality of the work completed

4. Areas in which you have seen growth, areas that need improvement

5. Overall impression of the student

6. Any other information you wish to supply
