Clay Production Worker

October 19, 2015

Do you thrive on physical work? Are you a hands-on person with great problem-solving skills? Do you have the discipline to adhere to specific production processes, but can’t help thinking about how to do something better?

Rovin Ceramics—a supplier of moist clay, prepared glazes, raw materials and pottery supplies to artists, potters, schools and clay studios—is looking for a Clay Production Worker. We need a responsible person who can work independently, but still contribute to our collaborative environment. The right person for this job thrives on physical work in a friendly factory-like setting. The job includes a lot of standing, bending, and lifting of 50 lb bags of material. Accuracy and a craving for organization are crucial to success in this full-time position.

Compensation: $13.00+ per hour plus approximately $5,000 in benefits, with the satisfaction of working with great people in a creative organization. We are a Motawi Enterprises company and an affiliate of Motawi Tileworks.

Some of the tasks performed by our Clay Production team:
  - Precisely weigh raw materials to make glazes and clays according to our own recipes.
  - Operate industrial mixing machines and pugmills to mix, extrude and package clay.
  - Organize the warehouse and perform weekly warehouse cleaning tasks.
  - Load and unload truckloads of palletized raw materials and finished goods using a forklift.
  - Load finished goods into customer vehicles or deliver finished goods in the company truck.

Requirements:
  - Infectious positivity and a flexible attitude.
  - Ability to make precise measurements when weighing out materials.
  - Physical strength and stamina to lift 50 lb repeatedly throughout the workday.
  - Good driving record.
  - Ability to work as part of a team to achieve assigned production targets.
  - Strong attention to detail and accuracy.
  - Ability to interact with our customers, in person or on the phone.

Desired:
  - Machine maintenance or light construction experience
  - Problem-solving skills and troubleshooting experience

To Apply:

If you have infectious positive energy and believe you fit this description, please email the items listed below to jobs@rovinceramics.com, Subject: Clay Production Worker. To be considered you must include ALL three items:

• A cover letter stating specifically why you want to work for Rovin Ceramics.
• Resume, 2 pages maximum.
